En primer lloc, quan ja t'hagis registrat a l'ESEP, has de tornar a iniciar sessió amb les teves dades. Un cop hagis fet aquest pas, segueix les instruccions per completar el registre. Tot seguit hauràs d'emplenar la informació amb les teves dades personals (*Member type, Education type,* etc.). Tal com es mostra a la imatge següent, has d'acceptar que compleixes els requisits per poder-te unir a eTwinning.

Per continuar, completa el registre amb les dades que es demanen (*Subject of teaching, Age taught from – Age taught to*, etc.). A més, has d'indicar si estaràs disponible per fer un projecte eTwinning (*Available for eTwinning Project*). També hauràs d'afegir el centre educatiu des del qual participes. Per fer-ho, has de començar a escriure el nom del centre (si no s'ha registrat prèviament) i esperar a

veure els suggeriments del cercador d'organitzacions. És **important** que no escriguis el nom del centre de manera autònoma, ja que el cercador podria no reconèixer-lo a priori i aleshores crearia un centre duplicat erroni.

\* Tingues en compte que el nom d'usuari no es podrà canviar posteriorment.

Un cop acabat aquest procés, ja t'apareixerà que el teu perfil ha estat actualitzat i desat, i et podràs unir a eTwinning, si ho vols.

Una vegada emplenats els formularis, podràs accedir a la plataforma amb el nom d'usuari i la contrasenya que hagis triat a la fase de preinscripció.

Hi pots accedir durant un temps limitat. Un cop fet el registre, l'SNA posa en marxa un procés intern, el **procés de validació del registre**.
